

**GU10 LAMP FITTINGS  
RECESSED SPOTLIGHT COVER**

**PRODUCT DESCRIPTION:**

**PURERENA GU10 Lamp Fittings:**

A GU10 is the most common type of spotlight found in most homes nowadays. GU10 refers to the type of fitting.

Two short, squar-ish pins protrude from the base of the bulb. The number of 10 refers to the distance in millimeters (mm.) between those two pins It's a push-and-twist type of fitting.

**PICTURES:**
