

**GU10 LAMP FITTINGS
TRIMLESS SPOTLIGHT COVER**

PRODUCT DESCRIPTION:

PURERENA GU10 Lamp Fittings:

A GU10 is the most common type of spotlight found in most homes nowadays. GU10 refers to the type of fitting.

Two short, squar-ish pins protrude from the base of the bulb.

The number of 10 refers to the distance in millimeters (mm.)

between those two pins It's a push-and-twist type of fitting.

PICTURES:
